Problem-Solution Fit Canvas:

Use the framework below to ensure your proposed solution accurately addresses the root causes, behaviors, and limitations of your target audience. The canvas below follows the same structure and section labels as the uploaded SmartBridge template.

1. CUSTOMER SEGMENT(S) [CS] - College students / young adults - Students managing limited monthly money - First-time personal budget users	6. CUSTOMER LIMITATIONS EG. BUDGET, DEVICES [CL] - Limited income / pocket money - Small or irregular budgets - Mostly mobile usage - Limited financial-planning knowledge	5. AVAILABLE SOLUTIONS PROS & CONS [AS] - Notes / spreadsheets — flexible, but manual - Banking apps — useful, but may focus on transactions rather than simple budgeting - Generic expense apps — tracking is available, but personalized guidance may be limited
2. PROBLEMS / PAINS + ITS FREQUENCY [PR] - Difficulty tracking daily expenses — frequent - Unplanned spending — frequent - Losing track of monthly budget — frequent - Not knowing where money is going — frequent	9. PROBLEM ROOT / CAUSE [RC] - Manual expense tracking is easy to skip - Spending happens across many small purchases - No simple personalized feedback - Budget planning is often not a daily habit	7. BEHAVIOR + ITS INTENSITY [BE] - Checks balance after spending - Records expenses inconsistently - Searches for saving tips when money is low - High intensity near the end of the month
3. TRIGGERS TO ACT [TR] - Monthly budget becomes tight - Unexpected expense occurs - User notices repeated overspending - Desire to save for a goal	10. YOUR SOLUTION [SL] PocketSmart AI is a simple AI-powered personal finance assistant that helps students record expenses, set budgets, understand spending patterns, receive alerts and get personalized saving suggestions.	8. CHANNELS OF BEHAVIOR [CH] ONLINE - Mobile/web app - AI chat or insight screen - Notifications / reminders OFFLINE - Daily purchases - Cash spending - College and personal expenses
4. EMOTIONS BEFORE / AFTER [EM] BEFORE: Confused, worried, less aware of spending. AFTER: Informed, organized, more confident and motivated to manage the budget.
