Team Coordination Notes

Aspect	Details
Team Leader / Coordinator	MONISH B
Overall Team Coordination Rating (1-5)	5 – responsibilities distributed clearly and demo flow coordinated.
Any issues during demo	Potential integration, internet/API availability or timing issues.
How issues were resolved	Use a rehearsed fallback flow, local test data, clear handoffs and pre-demo environment checks.

Team Innovation Note: During demonstration, the team will highlight how the current solution can evolve through explainable AI, personalized recommendations, stronger analytics and scalable deployment.
